
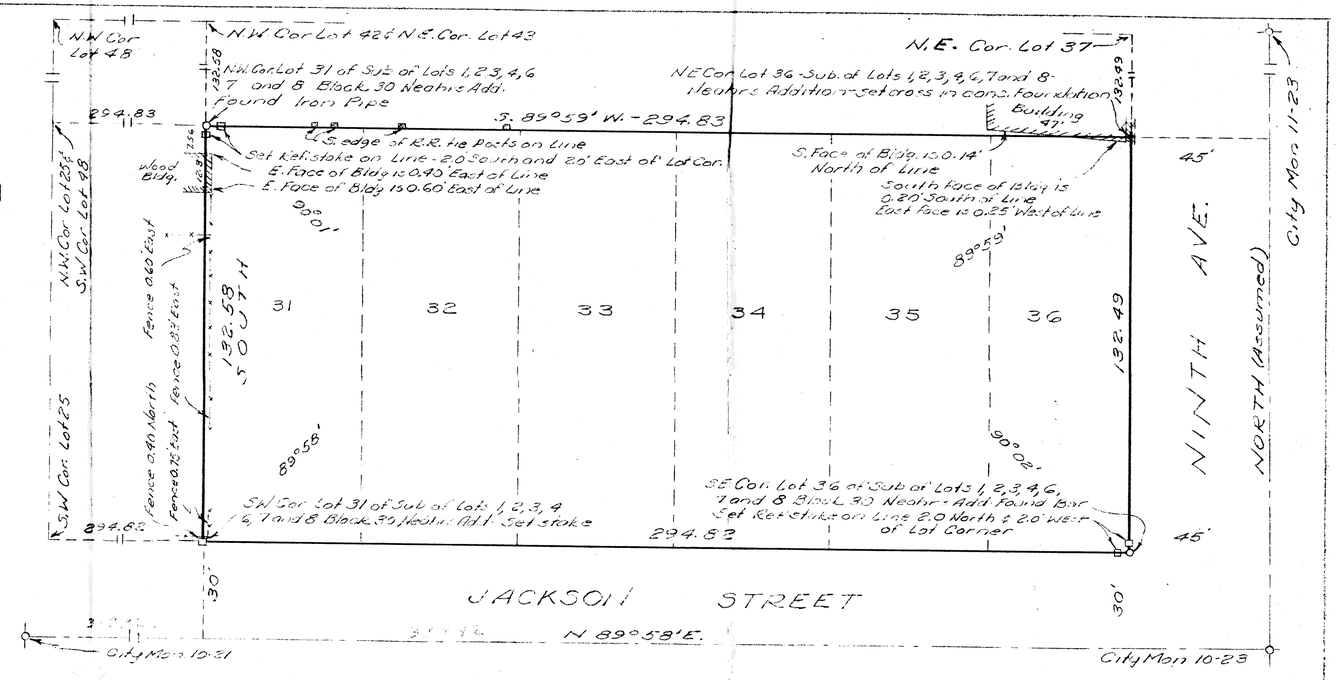
Indicates City Monument number.
Indicates stone found.
Indicates brass cap found.



Location and width of streets in this survey are based on "Official Plat of the Resurvey of Neahrs Addition to the City of Phoenix" of record in Book 2 of Maps Page 61, Records of Maricopa County, Arizona.

Lot corners were set according to "Map or Plat of the Subdivision of Lots 1, 2, 3, 4, 6, 7 and 8 Neahrs Addition to the City of Phoenix" of record in Book 2 of Maps, Page 28, Records of Maricopa County, Arizona.

Survey conforms with original "Official City Map" covering the Northeast Quarter of Section 7, T. 1 N., R. 3 E. G. & S. R. B. & M. Maricopa County, Arizona prepared in the office of the City Engineer of the City of Phoenix. This original map showed the width of Madison Street as 80 feet. This map was subsequently changed to show the width of Madison Street as 90 feet.
