Start: Wed 2/11/2009 9:00 AM
End: Wed 2/11/2009 9:30 AM

Recurrence: (none)
Recurrence Pattern: every Wednesday from 9:00 AM to 9:30 AM

Meeting Status: Accepted

Required Attendees: Mike McBride - PWX; Will Gardner - PWX; Brian Dalager - MCDOTX

Agenda

1. Sorting by TRS on hit list.
{Will, completed}

2. Being able to search by all TRS. This enables someone to just inserts someone name or date range and access all the given records.
{Will, completed}

3. The Surrounding section search option.

Still need addressing

3. Link our site to the ~~Assessors~~ ^{Recorders code} site using new program code.
good but need testing

4. Cleaning up Firm/Agency Name in the pull down box on the input for.

*Admin button
limited list.*

** Email Alex.*

5. Create link between original documents and related (corrections/ammendment) documents)

1. Create a new field off the main table in both the DIN and CTI databases named "Related Record". Populate entire database with "UNK". As recorders as added is will be changed to "YES" and "NO".

2. Create a new table (probably in the DIN database) with the following fields [Related Unique Index, New DIN, New CTI, Original DIN, Original CTI]

3. Update CTI and DIN input form to allow user to enter a related document.

4. Create connectivity between the two databases.

5. Update the Edit form for both the CTI and DIN databases to allow for editing such documents.

6. Update the web output to display such relations.}

6. Extended print functionally. (I am not sure what I mean here but I have some ideas that we can discuss in the next meeting)
