

## Completed Items

1. Sorting by TRS on hit list.
2. Being able to search by all TRS. This enables someone to just insert someone name or date range and access all the given records.
3. Link our site to the Recorders site using new program code.
4. Cleaning up Firm/Agency Name in the pull down box and added admin form to add new company names.
5. Create link between original documents and related(corrections/amendment) documents)

## New Items.

- Remove the "Order by:" pulldown on main site and default it to "Aliquota Part".
- Add a search again button to the SEARCH RESULTS page
- Add "DIN", "BOOK AND PAGE", "RECORDING NUMBER", and From Date To Date to the Query/Input screen.
