

Who: Maricopa County Department of Transportation (MCDOT)

Study Area: The study area limits are Higley Road on the west, Ellsworth Road on the east, Hunt Highway on the south, and Chandler Heights Road on the north.

Purpose and Need: In order to meet the transportation demands of the area, MCDOT is conducting a Small Area Transportation Study. With continued development and growth, the need for a connected roadway system has increased. The goal of the study is to ensure a well-functioning transportation network which meets the needs of current and future residents.

Study Progress: MCDOT completed the study of existing conditions and held a public meeting for comment in February 2018. Since the public meeting, MCDOT has completed the study of future conditions and has developed the recommended future network based on all data and public input received.

Input Needed: MCDOT is holding the second public meeting to display the recommended future roadway network for comment (as displayed below).

Stakeholders:

- Residents
- Maricopa County
- Town of Gilbert
- Town of Queen Creek
- Pinal County
- Gila River Indian Community
- Maricopa Association of Governments

Estimated Schedule:

Study of Existing Conditions	Completed
Public Meeting #1	Completed (February 7, 2018)
Study of Future Conditions	Completed
Draft Network	Completed
Public Meeting #2	May 9, 2018
Final Report	Fall 2018

For more information regarding the study, please contact Angela Horn by phone at (602) 506-4176 or by email at AngelaHorn@mail.maricopa.gov
