5. Basic accounts can participate in most bids for free, but only receive notifications for agencies from one state. Choose from where you'd like to receive free notifications:

1 Select Your State

 

6. Enter your email address and verify whether there's already an account:

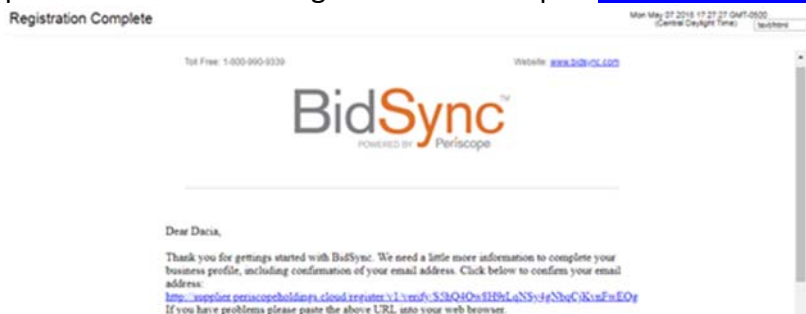

2 Your Information

*We'll need to ensure your email isn't already in use

7. Once your email is verified, enter in the rest of your information and check the box to agree to the Terms of Services after reading them:

<input type="text" value="First Name*"/>	<input type="text" value="Last Name*"/>
<input type="text" value="Phone Number *"/>	<input type="text" value="Extention"/>
<input type="text" value="Address*"/>	
<input type="text" value="City*"/>	
<input type="text" value="State*"/> 	<input type="text" value="Zipcode *"/>

8. An email is sent with a link to verify your address and start setting up your business profile. Click the link to go to the next step to [Setup a Verified Account](#):

New Account Relevancy

Setting up your initial keywords is part of the flow when verifying your account. After selecting keywords (and including any negative words to help narrow the results), using a simple Thumbs Up or Thumbs Down, you can teach the tool to improve the relevancy of your search results and notifications.

Based on your keywords, correlating bid titles are displayed with the option below to select Thumbs Up on approved opportunities and Thumbs Down on non-applicable bids:

It will go through 5 results before providing the option to improve relevancy again, or to enter the site and continue setting up your business profile with commodity codes or look at the available bids in the system.
